Faculty of Fine Arts - University of Lisbon

B.A. Communication Design / 2023 - 2026

GPA: 16/20

EXPERIENCE

Vitalis Project

Design & Marketing Director / Mar 2025 - now

Led a 7-person design team through a full content strategy overhaul, doubling social media following from 200 to 400 followers across Instagram and TikTok.

Anna's World

Personal Growth & Healthy Habits Ambassador / Jan 2025 - now

Selected for the community's founding cohort of ambassadors, one of 20 chosen from 260+ members, and mentors new members through structured 7-day onboarding, strengthening retention through consistent follow-up and personal connection.

RE/MAX TEAM GROUP

Graphic Design Intern / Sep 2025

Produced visual content for a network of 500+ real estate consultants, including social media posts, banners, and property materials, gaining first hands-on design experience under real client turnaround time outside an academic context.

Faculty of Fine Arts, University of Lisbon

Graduation Committee / Nov 2025 - May 2026

Designed communications and co-organized commencement ceremony for 1,000+ attendees, including 114 graduating students.

PROJECTS

FLUID.ai | Affective Computing System for Non-Verbal Autism Caregiving

Individual Project / Sep 2025 – Jan 2026

Designed a two-device affective-computing system translating physiological signals into ambient light, haptic, and sound feedback for caregivers, grounded in ethnographic research and reviewed by Prof. Inês Rodolfo (NOVA LINCS).

Ting | Wearable-App Ecosystem Grounded in Polyvagal Theory

Team of 5 / Feb – Jun 2025

Led interaction and system design for a haptic wearable addressing social anxiety, validated through a 93-participant survey and evaluated with distinction by course faculty.
